WILSON HALL 3RD FLOOR DEDICATION

CommQuest Services invites you to join us for the dedication of the 3rd floor at Wilson Hall. Wilson Hall is a non-medical residential treatment facility which provides intensive group counseling, education on substance abuse and individual counseling to men over the age of 18. This 8,000 square foot expansion will increase the facility's capacity by 16 beds, providing more convenient care for men seeking help with substance use disorder.
