

1 The Downtown Ford and Lincoln Advantage

From the moment you visit our dealership, you will see why Downtown Ford and Lincoln has been accredited Ford's Blue Oval Certification for over a decade. General Manager, Brad Black, and his team have been working hard since 1985 to build an exceptional reputation for service and selection. We invite you to stop and say hi to Brad and get to know our dealership. We hope you will choose us for all your vehicle needs!

2 New Inventory

You will find an incredible selection of new Ford and Lincoln cars, trucks, and SUV's on our lot. If you don't find what you are looking for, please don't hesitate to ask. We can get it for you! We honor A, Z, and X Plans. You can view our complete inventory 24/7 at downtownford.com.

3 Used Inventory

At the Used Car Factory, you will find a great selection of over fifteen makes and models, including Ford and Lincoln Certified Pre-Owned vehicles. We provide a history report and every vehicle must pass a 115-point inspection. Each certified pre-owned vehicle is sold spotlessly clean with a full tank of gas, the protection of either Ford's 7-year 100,000 (Powertrain) mile limited warranty, or Lincoln's 6-year 100,000 mile limited warranty and the comfort of 24-hour road side assistance. Buy a New or Used vehicle and your first oil change is free.

4 Trades

Are you looking to upgrade, downsize or reduce your payments? We buy cars! All makes and models. We are always looking for trades, so bring your vehicle to us, no matter how much you owe.

5 Commercial and Fleet

We are experts in fleet solutions for businesses large and small. Whether you're a small business with quick deliveries in and around the county, a large manufacturing company hauling goods from state to state, or an oil and gas company drilling in the Utica Shale in rural Ohio, Downtown Ford and Lincoln can help. We believe that commercial and fleet services don't stop or start at the sale. We provide excellent service from our Maintenance Team and a full range of Maintenance Agreements.

6 Monthly Used Car Auctions - SOLD!

On the second Saturday of each month, Kiko Auctioneers come to the dealership for the absolute Used Car Auction. All vehicles are sold to the highest bidder. Public inspection begins at 9:00 a.m., registration opens at 10:30 a.m. and the first vehicle is sold at noon.

7 Financing and Special Financing - Aggressive Rates Partnered with Over 35 Credit Unions and Banks.

We will show you how to get approved using Downtown Ford and Lincoln's special financing options. We will do everything possible to create a payment plan that works to fit your budget.

8 Quick Lube

When you bring your vehicle to the Quick Lube, you receive much more than your standard drive-through oil change. While the oil change is taking place, Quick Lube technicians perform a 'vehicle health report' assessing the battery and tire conditions. In addition, they check and top off fluids. While your vehicle is serviced, you can view the live TV footage of the technician working below your vehicle and catch the service specials as they are displayed. No appointments are necessary.

9 Service Department

Our superior Service Department services all makes and models with innovative equipment and award-winning customer satisfaction. Our Ford-certified and ASE (Automotive Service Excellence) certified technicians are ready to meet your every need. No appointment is necessary for general maintenance. We service your vehicle while you wait, provide you free shuttle service and offer night drop-off.

10 Parts Department

With our Parts Department, you can expect quality parts, expert knowledge and superior service. If you are a do-it-yourselfer and already know what part you need, you can request it in advance by visiting downtownford.com.

11 Body Shop

Whether it's a few scratches from a fender bender or your car needs major body work, our ASE Master Technicians have the tools and technology to fix your car like new! We are a preferred provider for most major insurance companies and offer a courtesy shuttle ride for local residents. Let us handle your claim from start to finish: insurance correspondence, rental coordination, and payment collection. Your satisfaction is our top priority.

12 Community Involvement

Our dealership and staff are very dedicated to the community. For the past 15 years, we have hosted the Spirit of Giving Day to benefit four local charities: A Community Christmas, Salvation Army, Stark County Hunger Task Force, and Toys for Tots. Area radio stations join us in the service center to collect donations for area residents in need before the holidays. This is just one of the ways we reach out to support our community.

13 Summer Cruise-Ins

If you are a car fan or you like Rock n' Roll, Downtown Ford and Lincoln is the place to be the third Thursday of June, July and August for our annual Summer Cruise-In and Concert Series. More than 500 visitors attend this free event to enjoy great vehicles, music and food. Come join the fun!

Employment Opportunities

Downtown Ford and Lincoln has a great history of providing excellent career opportunities for sharp, energetic people. We are currently looking for qualified personnel to join our team. We offer an excellent benefit package and a great working environment. For a complete list of positions available, and to apply online, visit downtownford.com
